From 01 July 2024 to 07 July 2024

Press Release

Mint is said to have countless virtues, from calming anxiety to toning the skin. It's generally consumed in summer, for its unrivalled freshness and inimitable colour. Its comeback on the design scene proves that we need a breath of minty freshness now more than ever, and artworks featuring a touch of this colour have that soothing je-ne-sais-quoi, as we see in our selection this week. A little mint tea?
