## Press Release

A special Anniversary Solo Show to celebrate the 10 years of collaboration between Edouard Buzon and Envie d'Art! You will have the opportunity to discover his latest paintings!

For the first outline, Edouard Buzon affixes a black and white photo of a deserted cityscape on a wooden chassis. During several months Edouard will do his so unique lacquer work which made its reputation for over a decade. Pigments and varnish are overlapping, the artist paints, writes, erases, recoats, likens his soul to the initial thread and offers us artworks with vivid colors, powerful and intense, endless and unique depths.
