We are pleased to announce the new exhibition, which will allow you to discover our new love, Karen Nicol, as well as the authentic artworks by Nicolas Dubreuille.

A Graduate from the Royal College Academy of London and than a teacher, Karen Nicol is a British artist, who has already received recognition from our Anglo-Saxon neighbours. We are happy to have a chance to present this unique designer and embroiderer for the first time in France! Her new work is a sweet and heartwarming interpretation of the animal world we invite you to discover.

Nicolas Dubreuille is on every front! The artist is on the rise of seducing us by the variety of his media and the mastery of his techniques. His paintings and drawings vibrate with their vivid colors. His most recent sculptures in aluminium symbolize the Man and divert the reality.
