

Press release

Portraits poétiques

Marie-Ange Daudé, Peter Hoffer, Hanna SIDOROWICZ

From 16 January 2020 to 20 February 2020

Opening date 16 January 2020

Press Release

From January 16 to February 20, we will be exhibiting the aerial yet profound works of three artists whose portraits are full of poetry. The feathered portraits of our new artist Marie-Ange Daudé are an ode to femininity. Peter Hoffer's works pay homage to trees and their majesty. Finally, Hanna Sidorowicz evokes our vulnerability through her vaporous portraits.

We hope to see you at the opening, which will take place on January 16, from 7pm to 9pm, at 24, rue Treilhard (Paris 8), in presence of the artists.

Register for the opening: cathy.bombard@enviedart.com
