

Chat Maigre

The street is his playground. Chat Maigre's work are set up to surprise and chase away the gloom. He mixes colors and materials to give a new destiny to the objects.

Chat Maigre gives a new life to urban objects previously invisible or insignificant..

He first draws a sketch, then produce a frame, a new body, cuts and assembles until the final touch that eliminates any shadows. As the sun at the zenith, Chat Maigre gives light and heat to the city.

Street Artist & Urban legend, Chat Maigre re-invent our environment. His imagination and his utopia create an enchantment, a metamorphosis combining humor, art & techniques.
