Envie d'Art Weekly : Le rythme des formes

Marcel Ceuppens, Nicolas Dubreuille, Vinça MONADÉ

From 05 May 2020 to 12 May 2020

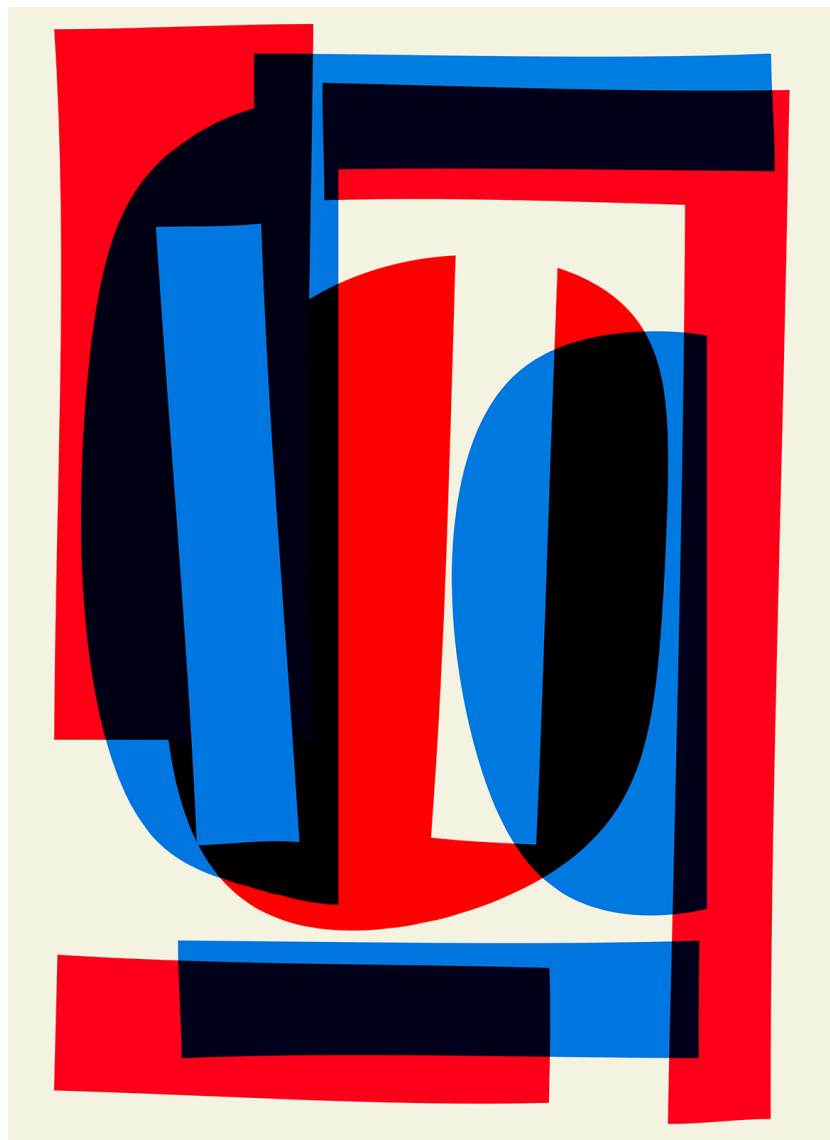

Press Release

Sleek lines, sharp colours and elaborate shapes: abstract compositions transport us into a world where the invisible becomes visible and interpretation boundless. This week, discover three artists who place abstraction at the heart of their work, each in their own way, through line and colour: Nicolas Dubreuille, whose drawings on paper evoke the great modernists, but also Vinça Monadé, who is inspired by nature and fields for her work on form, or Marcel Ceuppens, whose compositions are inspired by the art and design of the 1950s.
