Press Release

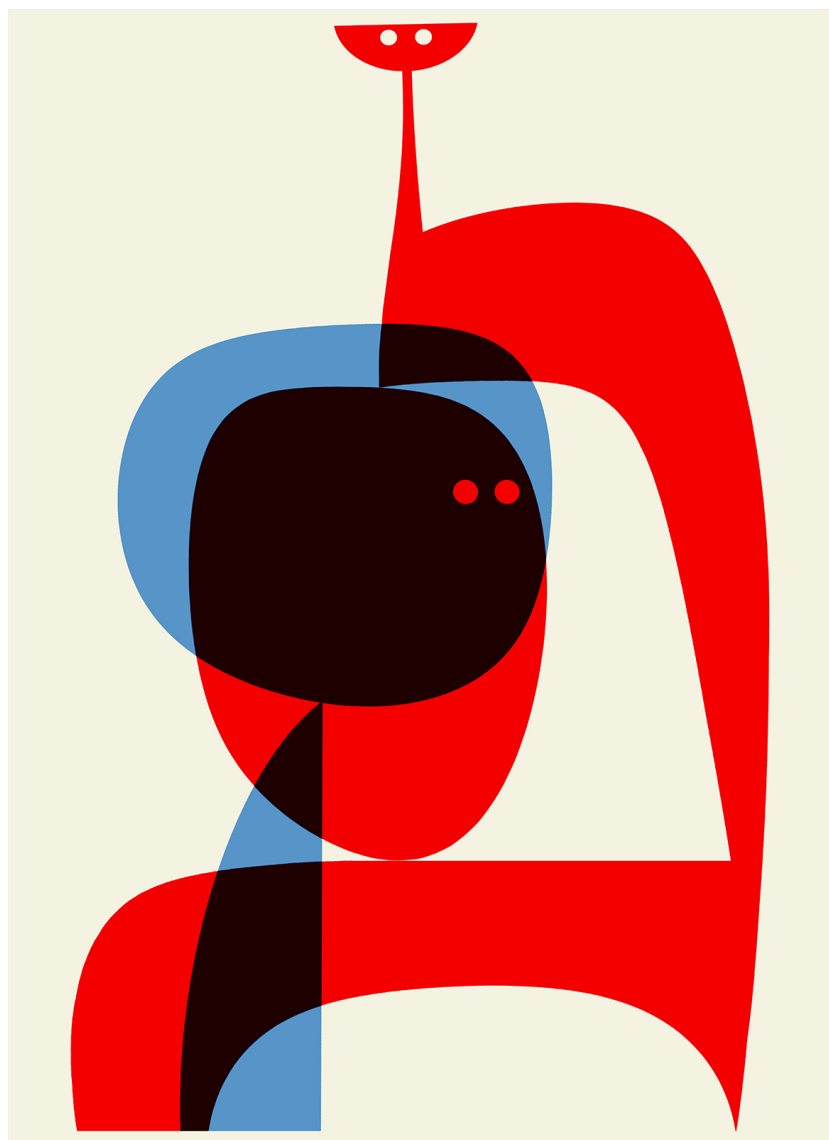

Over the last few decades, drawing has established itself as an art form in its own right. It no longer suffers from its minor art status and artists like to experiment with this medium, simple in appearance but complex to master. We wanted to pay homage to drawing and all forms of art on paper with the pastels of Vinça Monadé, the engravings of Tony Soulié, the prints of Marcel Ceuppens, the paintings of Nicolas Dubreuille and Edouard Buzon. It will also be the occasion to present you for the first time the works of Mario Sughi, the newest artist of the gallery.

24, rue Treilhard 75008 Paris

Vernissage on September 17, 2020, from 3 to 9pm
