Edouard BUZON, Silvia CALMEJANE, Karen Nicol

From 05 March 2021 to 31 March 2021

Press Release

Spring is approaching, the days are getting longer and our hearts are in joy. To celebrate the bursts of soul that accompany the arrival of beautiful days, we are delighted to exhibit for the first time in a long time the superb embroideries of the British artist Karen Nicol, who in her new series celebrates the diversity of the world's cities and continents. We will also be exhibiting Silvia Calmejane's latest creations, which as always carry messages of hope, as well as those of Edouard Buzon, abstractions in full colour.

Due to the latest measures, the gallery is unfortunately closed to the public until further notice, and we will be very happy to meet you there as soon as possible. We will ensure deliveries as usual, offer the Click & Collect, and if you wish to see the exhibition by videoconference or for any other information, do not hesitate to contact us: cathy.bombard@enviedart.com (06 80 07 41 89).
