Un été chromatique

A chromatic summer

Edouard BUZON, Nicolas Dubreuille, Florent Touchot

Location : Paris

From 01 July 2021 to 30 July 2021

Press Release

The season is all about colour, sunshine and generally celebrating life. In July, we are exhibiting three artists who are disciples of colour and are constantly searching for perfect pigmentations, associations and shades of colour. Edouard Buzon creates his own colour pigments while Nicolas Dubreuille assembles them in a play of superimpositions and transparencies. Florent Touchot, for his part, finds his colours in the city, from the posters he tears down and reassembles into collages.
