From 14 March 2022 to 20 March 2022

Press Release

Collecting unusual objects, loving the details of a mosaic, seeing the beauty in the most incongruous things: creating an interior worthy of the most incredible cabinets of curiosities is not for everyone, but those who manage to collect and assemble can have the most impressive maximalist interiors. As gallerists, we have a penchant for the art of collecting and an eye for precision, so you may need a magnifying glass to admire this selection. The devil is in the details!

Exhibited Artworks
