## Press Release

A Victorian interior with creaking wooden floors, gothic moldings, and secret doors leading to cabinets of curiosities... This is where you find old grimoires containing recipes for magic potions, spells, fabulous elixirs, and their smoky antidotes. Between astrology, tarot, and spiritism, there is something devilishly fascinating about magic and esotericism, a call to the supernatural that we crave in these disenchanted times. So let yourself be swept away by the fascinating powers of magic, and succumb to this mystery-filled selection. It's a kind of magic...
