Press Release

The sacred dances of rain or sun are a means of expression as ancient as existence itself. Expressing yourself by moving your body, undulating, jumping and pirouetting is also a way of doing without words. Vulnerability, anger, ecstasy, pain... dance can convey all these emotions, and sometimes several at once. From The Nutcracker to Pina Bausch, from Disco hits to Nureyev's prowess, we admire this art form like any other, as our selection of the week shows. Let's dance!
