Press Release

The land Jacques Brel sings is Belgium, but also the Netherlands, from the port of Amsterdam to the Ardennes forest, from the windmills of Kinderdijk to Knokke-le-Zout. And if there is one region in Europe that has produced the greatest names in the history of art, it's this one, from Rembrandt to Magritte, from Flemish still lifes to Piet Mondrian. In this week's selection, you'll find everything that reminds us of our northern neighbours. Hartelijk bedankt!
