Peter Keizer, Yanne Kintgen, Mikael Lafontan, Cécile Plaisance

From 06 May 2024 to 12 May 2024

Press Release

A family tree is not just its branches, representing the different ramifications of the family, but also its roots. These anchor us in a soil, in a reality, in a culture. Our roots are where we've come from and where we're going, or what we want to overcome. The roots of the oldest trees show us that there are no limits to this, when we see how they can take over from the hand of man. Our selection of the week is dedicated to them... Zippin' up my boots, going back to my roots...

Exhibited Artworks

PETER HOFFER

Arbre vert, 2023

Acrylic and epoxy on board

40 x 40 in (102 x 102 cm)
