## Press Release

France was celebrated yesterday in style, as always with its parade, its fireworks, and this year more than ever with the imminent arrival of the Olympic Games in Paris. It's with nostalgia that we think back to the France of Brigitte Bardot, the images of Epinal, Jane Birkin's bags, berets, and smoking baguettes - in short, the typical postcard in red, white, and blue. So here's our Made in France selection. Do you do you do you Saint Tropez?
