From 07 October 2024 to 13 October 2024

Press Release

Don't accuse us of greenwashing, we simply love the color green. Nature, origins, life... green is a joyful and sober color, which is also synonymous with freshness, prosperity and progress. So this week, let's immerse ourselves in spring groves, autumn leaves, lush jungles and flourishing meadows, and say thank you to life! Who says you don't have a green thumb?

Exhibited Artworks
