Press Release

Who hasn't dreamt of seeing the Northern Lights? In Santa's homeland, there are hotels made of ice, where you can admire the incomparable starry skies. You can also take a dog-sled ride through the pine forests, see penguins cuddling, or watch whales in the early hours of the morning. At a time when the adventurers of the Vendée Globe are rounding Cape Horn, we were inspired by the ice at the poles. Our artists love the cold colours and icy atmosphere of the ice fields, and here is a selection that will make you want to take the first flight to Reykjavik or Tromsø!
