Press Release

Mulholland Drive, Sailor & Lula, Twin Peaks... The great film-maker David Lynch sadly passed away in January, but his immortal work continues to fascinate us, his increasingly mysterious and dreamlike universe having opened the doors of consciousness for many of us. In 2024, he created an installation at Milan's Salone del Mobile entitled ‘Interiors by David Lynch. A Thinking Room’, reflecting his love of mystery, dreams, the unconscious and the surreal. This week we pay tribute to him with a selection of dreamlike works. And as Roy Orbison sings in Blue Velvet: In dreams I walk with you, In dreams I talk to you...
