From 07 July 2025 to 13 July 2025

## Press Release

At a time when men seem sensitive to questions of virility, it's more important than ever this summer to celebrate feminine energies and the power of women. Far from the din, this week's works whisper of the quiet strength of those who weave the world with grace and depth. They reveal impulses of beauty, intuition and mystery - silent languages that speak to the heart more than to reason. Who run the world? Girls.

## Exhibited Artworks
