Mood of the week : Mangroves

Edouard BUZON, Silvia CALMEJANE, Charlotte Champion, Marine DE SOOS, Juan Escudero, Didier Fournet, Axelle Gosse, Peter Keizer, Yanne Kintgen, Mikael Lafontan, Camille Levert, Jaime Sicilia

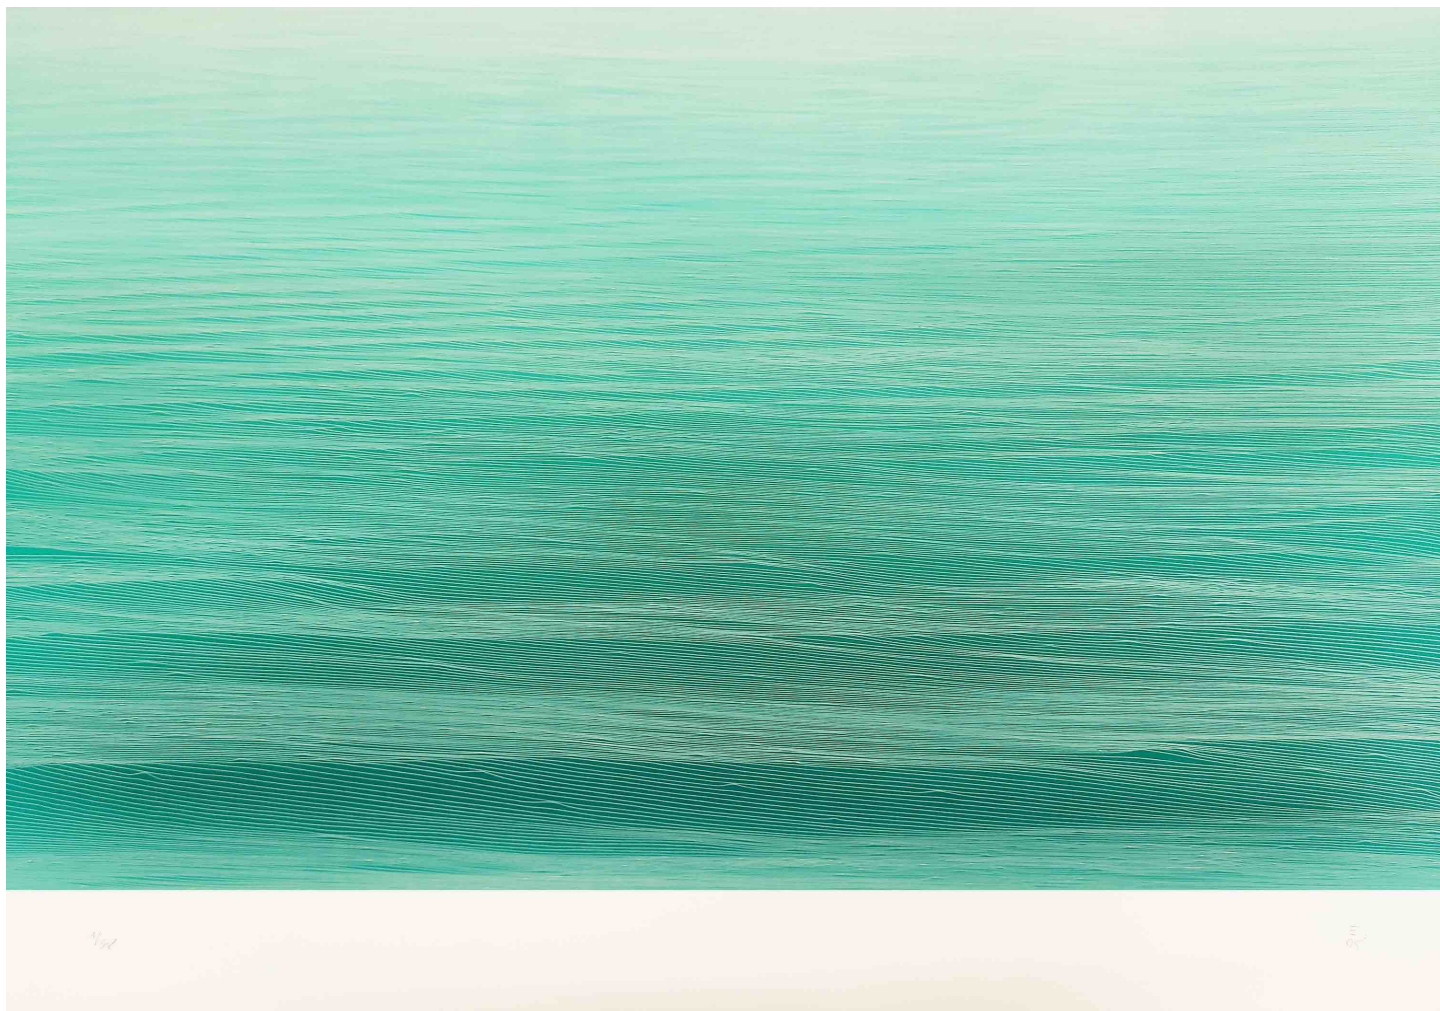

From 15 September 2025 to 21 September 2025

Press Release

Mangroves are unique ecosystems located between land and sea. They thrive in tropical and subtropical areas where saltwater meets freshwater. Protecting mangroves means preserving a natural treasure; they are a refuge, a natural barrier, and a precious resource. This week, inspired by their beauty and delicacy, we have created a collection of works with tropical and aquatic accents. With filtered light, submerged roots, and marine hues, this selection pays tribute to these forests that exist between two worlds.

Exhibited Artworks

JUAN ESCUDERO
