Press Release

This week we went to the cinema to see *The Great Arch* and discovered the extraordinary story of the architect behind the monumental La Défense project. And after immersing ourselves in the Mitterrand years, the complexities of the creative process, and the subtleties of the artistic soul, we wanted to offer you this week's selection in monochrome black and white. It is a tribute to the 1980s, to architecture, and to the minimalism of timeless works.
