Press Release

As New Year's Eve approaches, Christmas meals come thick and fast: at the office, with cousins, friends, then family. It's hard to know where to start, between opening oysters, toasting bread for the foie gras, finalising the seating plan and the endless Secret Santa gifts. The Christmas tree fills the house with its scent, the Advent calendar is revealed day after day, and the presents wait patiently for their moment. It is a time of excess, certainly, but above all a moment of joy suspended in time, and our selection of works pays tribute to this enchanted interlude.
