## Press Release

Pearl gray is a shade whose simplicity and elegance evoke the Parisian sky and the mother-of-pearl of oysters. Both neutral and unforgettable, discreet yet striking, it transcends the seasons without ever going out of style. As spring begins to settle in here in the northern hemisphere, we feel a slight nostalgia as we think back to overcast skies, misty mornings, and wood fires that warmed us through the winter. Our selection of the week comes in fifty shades of light gray, a delicate tribute to this timeless colour.
