Press Release

To stroll through Rome, and more specifically through the Villa Medici, is to immerse oneself in a setting steeped in history and beauty. In this exceptional setting, which today welcomes international and interdisciplinary artists, one cannot help but admire the universal appeal of art, capable of transcending centuries and borders. This fascinating place bears witness to the enduring importance of artists and their vital role in our culture. This week, we pay tribute to those who, in turn, celebrate art in all its forms, for art inspires art!
