Press Release

From Frida Kahlo's Casa Azul in Mexico City to Yves Saint Laurent's Majorelle Gardens in Marrakech, the greatest artists have been captivated by the intensity of blue – that deep, almost infinite blue that evokes the sky, the sea and boundless space. A favourite colour for many, blue captivates with its ability to soothe, inspire dreams and transport us to another place. This week, let yourself be swept away by the magic of blue through the works of our artists.
