Press Release

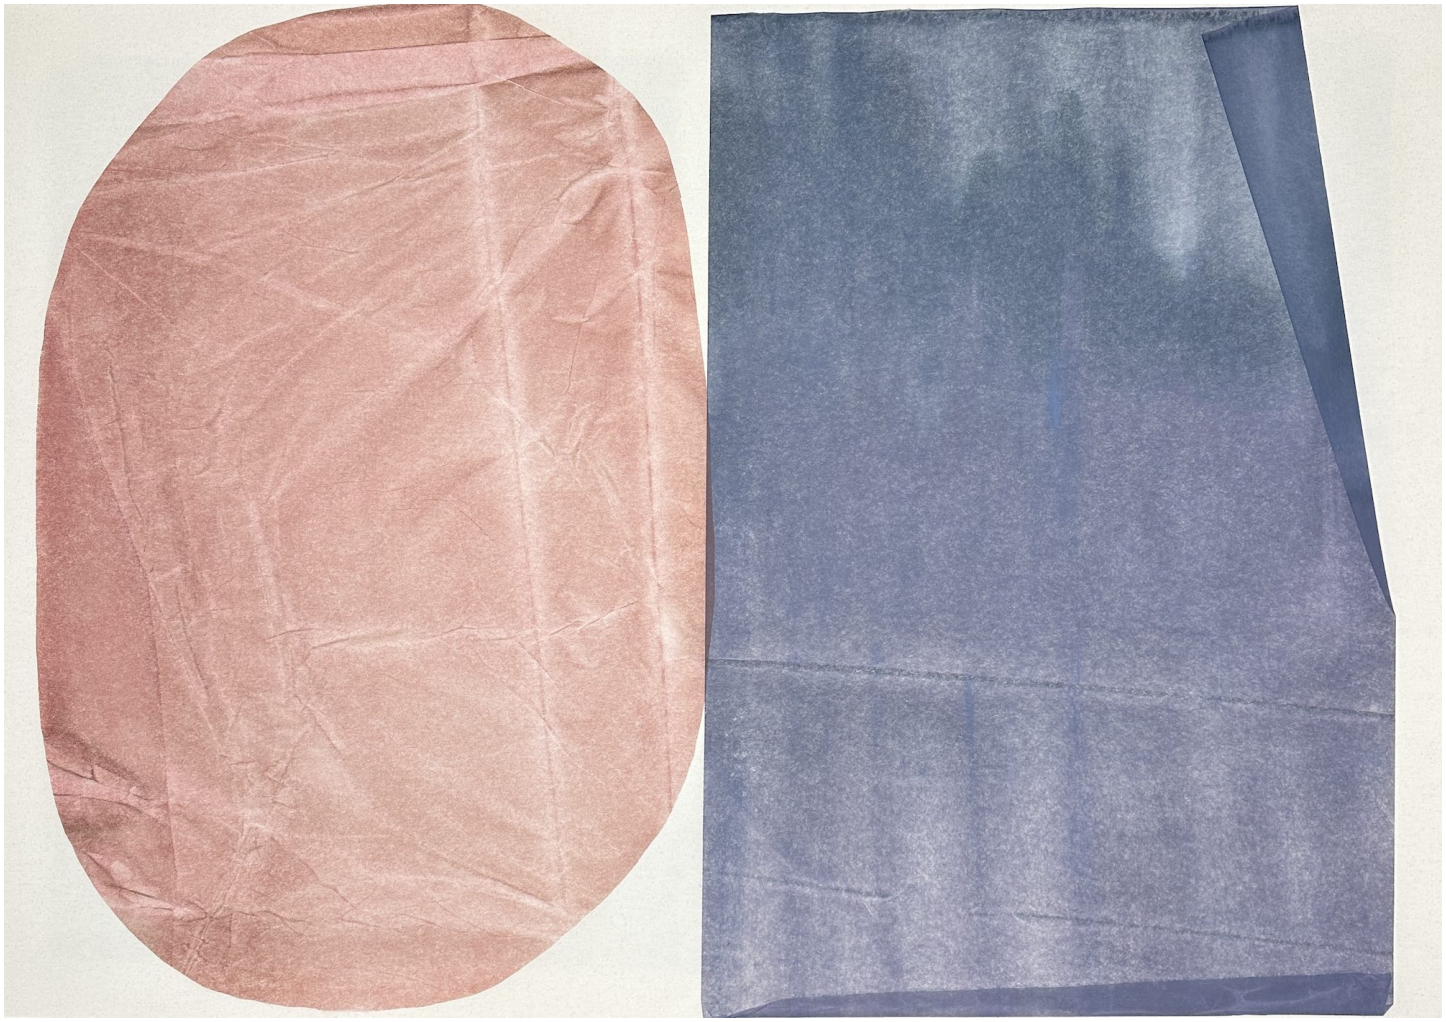

Despite France’s defeat yesterday in the World Cup semi-final, we celebrated Bastille Day in style. Every year, this date brings us together around our national colours, symbols of our history and our way of life. It therefore seemed only natural to pay tribute to them through this week’s ‘tricolour’ selection, where blue, white and red are expressed with elegance and character. A timeless palette that our artists know how to bring to life with such talent. Aux armes, citoyens !
