Exposition bibliothèques

David Gista, Reinhard Gorner, Thibault Laget-ro, Niemand, Hanna SIDOROWICZ

Location : 29 boulevard Raspail, 75007

From 07 May 2014 to 27 June 2014

## Press Release

The evanescent silhouettes by Hanna Sidorowicz fly between strength and softness. The graphic and monumental photographs by Reinhard Gorner invite us into intriguing places full of mystery. Niemand, a Dutch photographer, reveals the graphic music sheets of a melodious library. The character who emerges from Thibault Laget-ro, ventures towards its freedom. Then, through its theatrical libraries, David Gista immerses us into his very own oneiric universe.
